

MARSTON URN

A grand urn of French origin, with rose swags to the main bowl and Satyrs faces to the upper edge, with elegant nymph handles. Seated on a Royal Doulton plinth, with laurel leaf motif to the main body and egg and dart detail to the upper edge.

All our range is made in our workshops in the South West of England, with each piece being made to exacting standards and individually hand finished with our unique antiquing process.
