

Tall Gate Pier Finial

Tall Gate Pier Finial from Triton Stone

A fine eighteenth Century gate finial with an elegant tapered stem, surmounted with a stone ball. Taken from the originals at Hadspen House, Somerset, England

We offer a choice of classical and traditional gate piers which can be altered in height by the addition or subtraction of sections to suit your pre-determined location and personal preference.

To compliment your gate piers, whether you select from the choices we have available, or wish to decorate your existing piers in this section we have a comprehensive range of finals from classical through to the ornate and decorative
