

Traditional Gate Piers

Traditional Gate Piers from Triton Stone

Traditional style gate piers with panelled detail to the main structure and deep relief to the base and pier cap. Also available in Dartmouth Granite and Devon limestone composition

We offer a choice of classical and traditional gate piers which can be altered in height by the addition or subtraction of sections to suit your pre-determined location and personal preference.

To compliment your gate piers, whether you select from the choices we have available, or wish to decorate your existing piers in this section we have a comprehensive range of finials from classical through to the ornate and decorative.
